SUBJECT: Ref - Memorandum - [REDACTED]

DATE:

- (1) This office strongly in favor of proposed increase from 1 to 3 in EC Analysts in Sino section. [REDACTED] suggestion.
- 25X1A6a (2) Office expresses no opinion on [REDACTED] suggestion.
- 25X1A6a (3) Office favors [REDACTED] suggestion and would suggest two (2) economists are to study China other Soviet Far East. The two require wholly different skills especially linguistic. Would be satisfied if assistant to Maritime Provinces Analyst were an economist, thus freeing the so-called "EC Analyst" to concentrate in China.
